

ZAGOSPODAROWANIE TERENU

Technical drawing showing a cross-section of a road and adjacent areas. The road width is marked as 12.50. The adjacent area width is marked as 125.07. The road surface is labeled 'Nawierzchnia szutrowa 25,3' (gravel surface 25.3). The property boundary is labeled 'Utramica własności'. The drawing includes various symbols for road features, such as dashed lines for boundaries and solid lines for the road edge. A yellow hatched area is also present, likely indicating a specific material or construction detail.
